

CHURCH PLANTING MISSIONARIES IN BURKINA FASO, WEST AFRICA

February 2025 Prayer Letter

Ministry Update:

We are coming up on the end of our first 4-year term here in Burkina. God has greatly blessed, we have seen many come to know Christ and a church started in Zinguedesse, but we are just getting started. There is so much more to do and so many communities that do not yet have a church. We will be coming back for a furlough in June 2025 where we will gear up for our next term. If you would like us to come by and give an update on our ministry in the fall of 2025, please reach out via email so we can schedule a meeting.

Conference in Gado:

I was able to visit and preach a conference in the village community of Gado. This church was started through the ministry of Missionary Keith Shumaker. I was greatly encouraged to see all that the Lord has done in this village but at the same time I felt burdened for the thousands of villages just like this one that have no gospel witness whatsoever. Please pray for the Lord to send laborers to Burkina.

New Year New goals:

During January our church in Zinguedesse made new goals for the coming year. It is very encouraging to see the growth and progress that our church plant has made since first starting in 2021. The Lord continues to bless and we have a core group of members that are completely on board with the doctrine and mission of the church. We desire to see many saved, Baptist, and disciplined. Our church has been giving to faith promise missions for 2 years, during this time we supported many ministries with one-time gifts but this year we plan to take on our first church planter for monthly support. Please pray for our church as we seek to serve the Lord in 2025.

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for us to see more souls saved, baptized, and disciplined in 2025
