December 2026 Prayer Letter

Church Update:

The church in Zinguedesse continues to grow and develop. Recently, **we visited a family in our church who welcomed a new baby**. As is customary here in Burkina Faso, our church collects soap as a gift for the family and visits their home to pray with them and encourage them to raise their child in the Lord. We are thankful for parents who take this responsibility seriously.

Training for ministry:

Each month, I meet with the men who are training for ministry. In addition to Bible college and practical ministry experience, we focus on developing the skills and the heart needed to lead in ministry. Here, we are working on leading congregational singing with piano accompaniment. **I am grateful for these men who take their calling and preparation seriously**. Please pray that God would give me wisdom as I seek to prepare them for the gospel ministry.

Burkina update:

Things in Burkina Faso continue to change under the current administration. While progress has been made in reducing the terrorist threat, some areas of the country remain under terrorist control. The government is also making significant changes to its laws and regulations, making it challenging to keep up with new requirements. We are working to update the legal paperwork for our church plants to ensure everything is in order. Please pray that we can successfully navigate these changes so our churches can continue to operate freely in the future.

Prayer Requests:

- **Pray for the church, Victory Baptist Church of Zinguedesse**
- **Pray for the church plant at Kombissiri**
- **Pray for God to raise up new laborers for the mission field**
- **Pray for the Turners and Grant as they get settled in Burkina Faso**
