**Visit from my sending church:**

During the month of March, we had the honor of hosting my pastor and a few of the other staff members from our sending church. It was their first time visiting our ministry here in Burkina. I really enjoyed getting to show them all that the Lord has done over the last four years of this church plant. They were a great encouragement to my wife and me, and they had many encouraging things to say. I am very grateful for the support of my home church and pastor.

March 8th is International Women’s Day. In Burkina, it is celebrated in the same way as Mother’s Day is in the United States. Every other year, we celebrate together with other Baptist churches started by missionary Keith Shumaker. This year, we had a great turnout of around 140 women total, **22 of those being from our church.** The men worked together to cook for the event, and the ladies taught on Biblical womanhood, sang, and played games.

**Constituting the church:**

Over the last 4 years, we have been diligently working in Zingudesse to establish a church. This March, **we officially organized this church plant.** It was an amazing service with singing, preaching, and a charge from my sending church. Please pray for Victory Baptist church of Zingudesse as she strives to fulfill her role in the great commission, faithfully proclaim the gospel, accurately preach the word of God, and lovingly train believers to be disciples of Jesus.

**Prayer Requests:**

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for us to see more souls saved, baptized, and discipled in 2025
- Pray for our family as we prepare for furlough in 2025
