September 2025 Prayer Letter

Furlough update:

While visiting churches in the US, we met Bob at the Atlanta airport. My wife overheard him struggling to order coffee because he didn't speak English very well. She recognized his French accent and helped him order his coffee, and we began speaking, only to find out he was Burkinabe. He lit up when he found out we also lived in Burkina Faso, and we had a great time talking. We found out that we were actually neighbors and live in the same neighborhood in Burkina Faso. Please pray for his salvation.

Our kids started school at Victory Baptist School at the beginning of August and it has been great for them. They are thriving and we are very thankful for our home church allowing them to attend. Parker started first grade and Eden started K-5. It has been really good for the kids to have a constant schedule for school.

Family Update:

Each week, I get reports from both churches, and it is very exciting to see all that the Lord is doing. The church at Zinguedesse saw a man get saved last week. The new church plant at Kombissiri is slowly growing as well. There are a few people who have recently started being very faithful and even helping set up the benches before each service. We are excited to see the Lord continue to work even while we are away.
