

# Church Planting Missionaries In **Burkina Faso, West Africa**

## October 2025 Prayer Letter

### Furlough update:

It's missions conference season and I have been extra busy with meetings and mission's conferences. It has been great seeing many of the friends that we made several years ago while on deputation. We enjoyed deputation, sharing with churches all that we hoped to do in Burkina, but it's even better coming back on furlough and telling churches about all that God has done. Please continue to pray for us as we travel to present to new churches and update our supporting churches about all God has done.

Parker and Eden are thriving in school this year. It has been exciting to see them growing and learning so much. They both have awesome teachers and have made many friends. We are so grateful for our sending church and Victory Baptist School for their investment in our family. Please continue to pray for them as we are back stateside this year.

### Family Update:

Each week, I get reports from both churches, and it is very exciting to see all that the Lord is doing. I am especially encouraged about the growth of many of the leaders in the church plant. So many men have stepped up and are serving in new ways. I can't wait to get back and see all that God has done. Please continue to pray for the church plants and for the leaders, as it has not been easy, but God is using the difficulties to help them grow.
