December 2025 Prayer Letter

Furlough update:

Eden and Ashley both celebrated their birthdays in the month of November. I am grateful to God for the wife that he blessed me with and the children that he has given us. Eden has been growing up so fast, and I am loving every moment of it. Continue to pray for our family while we are on furlough, as I have been traveling a lot to give updates to supporters.

October and November are always a little extra busy with missions' conferences and meetings. I am grateful to have seen many friends at churches that we visited many years ago, as well as having made new ones along the way. Please pray for my family while we travel and report on all that God has done over the last several years.

Family Update:

Ministry in Burkina:

It has been exciting to get reports each month of all that the Lord is doing in the lives of members of the church. There were 4 professions of faith in the last month. Please pray for these new believers. Also, please take a minute and pray for our church because it's been a hard month. 2 Church members had one of their children pass away during October. One baby died 2 days after being born, and the other was only 5 months old.

Prayer Requests:

- Pray for the church, Victory Baptist Church of Zinguedesse
- Pray for the church plant at Kombissiri
- Pray for us to have safety as we travel
- Pray for God to raise up new labourers for the mission field
