March 2026 Prayer Letter

Visa Update:

The visa situation continues to evolve week by week, and attitudes toward the United States seem to be shifting as well. Recently, following the conflict in Iran, Burkina Faso asked the U.S. ambassador to leave the country. While **we are trusting the Lord to keep the door open, we ask that you continue to pray faithfully that nothing will hinder our return to the country** where God has called us to serve.

As we get closer to returning to Burkina Faso, we will begin sharing more specific details about the materials we are raising funds to bring with us. **Thank you to those who have already started giving toward our shipping container.** We still need approximately $8,000 to fully cover the cost. By next month, I will also begin pricing the gospel tracts and other materials that we plan to take back with us. I hope to have the cost of these items by next month.

Special projects!

Ministry in Burkina:

One of the most exciting parts of being on furlough is hearing the weekly reports of what God is doing in the church we started. Perhaps it shouldn't surprise us, but it is always amazing to see how the Lord continues to work—sometimes in even greater ways than before**. We are eager to return and continue the work, and we are encouraged each week by the reports of how God is moving**. Thank you for faithfully praying for these church plants.

Prayer Requests:

- **Pray for the church, Victory Baptist Church of Zinguedesse**
- **Pray for the church plant at Kombissiri**
- **Pray for us to get our Visas to return to Burkina Faso**
- **Pray for God to raise up new laborers for the mission field**
