May 2026 Prayer Letter

Visa Update:

Thank you to all those who have been praying for our visa situation. Last month, I wrote that the Burkina government had asked the U.S. Embassy to leave Burkina. That information turned out to be incorrect, and the U.S. Embassy is still operating in Burkina. Apparently, the reports we saw were false. I apologize for the mistake. This is ultimately good news, and we are still making plans to return. We plan to submit our visa applications this month. Thank you for praying!

Thank you to all those who have given toward the different ministry needs. We have been able to obtain most of the materials needed for loading the container and sending it back to Burkina. We purchased tables and chairs, evangelism materials, as well as some personal items to bring back to Burkina. The Lord has also provided a pallet of French Bibles through the Bible and Literature Missionary Foundation in Tennessee. I'm still working on getting the tracts ordered.

Special projects!

Ministry in Burkina:

I continue to receive weekly reports from the ministry in Burkina about all that the Lord is doing. During the Easter services, they baptized four new believers who were recently saved. It is amazing to hear how God is still working while we are in the States, though it certainly makes us eager to return. Please pray for both church plants as they seek to honor the Lord and see more souls saved, discipled, and taught to serve the Lord.

Prayer Requests:

- Pray for the church, **Victory Baptist Church of Zinguedesse**
- Pray for the church plant at **Kombissiri**
- Pray for us to get our **Visas to return to Burkina Faso**
- Pray for God to raise up **new laborers for the mission field**
