August 2026 Prayer Letter

Outreach:

Last month, we had the opportunity to participate in a kids' camp with several other churches here in Burkina. **We had 27 kids from our church attend**, along with around 75 kids from other churches. We had a wonderful time, and the camp was a great success. God truly used this time to strengthen and encourage these young people in their faith. Next month, we will be holding two different camps for teens and young adults. Please pray that the Lord will work mightily in their lives.

Family Update:

We have held several outreach events since returning to Burkina. One of the most successful was a pétanque tournament focused on reaching men in our community. We had 22 teams sign up, and of the 44 men who participated, **36 were first-time visitors to our church**. I had the opportunity to preach the gospel to them before the tournament began, and it went very well. Please pray for us as we follow up with these men and continue sharing the gospel with them.

Kids camp:

Our family is doing well and has settled back into life here in Burkina. The kids have started homeschooling again and are adjusting well to their routine. In July, **Ashley and I celebrated our 11th wedding anniversary**, and I am incredibly thankful for the wife God has given me and for His faithfulness to our family through the years. We are grateful for each of you who faithfully prays for us and our ministry. Thank you for being a part of what God is doing here in Burkina!
